Consistently Serving the Great North Tahoe-Truckee Recreational Area Since 1869

New Garage Will Feature '65 Buick, Jeep In This Area

Ponderosa Buick, the area's newest enterprise, will be open for business this weekend in the new building across from the County Government Building in Gateway Park.

At the same time, the new 1965 Buicks will be on display for the first time, featuring the Special and Le Sabre, both in four-door models There are many improvements in the 1965 models.

Operators of the new business are Frank Snyder, well known Truckee resident, who will be in charge of the sales and office, and Marshal Stringer, a newcomer from Los Angeles, who will manage the shop and service departments. The two partners are leasing the new building from Clarence Osburn, for many years Buick dealer in this area.

A public reception and open house is planned for October 3, although business will be transacted this weekend, as final details of the construction are being completed.

The new building is of concrete block design, with a floor space of 3,000 square feet. It will house a show room, shop and stock department, an office and rest rooms, with the used car department on the west side.

The shop will have five stalls and Stringer will oversee all service work.

Snyder said that the firm will take over the agency for Jeep in the immediate future. This agency was dropped by Osburn's Buick Garage when Osburn retired from the garage busniess, now operated by John Waller on Commercial Row, several months ago. Jeep has been found to be a popular vehicle for this area, Snyder said, and the firm is fortunate in getting it restored.

Since his retirement Osburn has retained the Buick franchise with Snyder in charge of the sale and service and he still retains an interest in the dealership.

The entire yard of the new building is being blacktopped to provide ample parking and a huge street light has been installed to brighten up the garage.

Mrs. Snyder, who has been with Thornton's Garage for the past several months, has resigned her job there to take employment with Ponderosa Buick. Mrs. Constance Kammerer has replaced Mrs. Snyder at Thornton's.

The Stringer family is moving from Los Angeles to make this their permanent home.

Former Pastor Now Serves In Viet Nam

Lieutenant Paul Roswog, former assistant pastor of the Catholic Parish in the Truckee-North Tahoe area, is now serving as chaplain for the Ninth Marines off Viet Nam on the USS George Clymer (OPA 27).

Lt. Roswog reported to the Third Marine Division on Okinawa for a 13 months tour of duty, but when the fracas started at Viet Nam, he wrote, he again went to sea attached to the 9th Regimental Landing Team. In event the Marines land, Lt. Roswog wrote, he will go ashore with them.

"I still enjoy reading my copies of the Sierra Sun," Lt. Roswog wrote, "The absence of any kind of hometown newspaper here at sea leads to many avid readers of your newspaper when I am finished."

The lieutenant sent regards to his many friends in this area.

TRUCKEE LEADS ALL STATIONS IN TRAFFIC

A total of 1,195,769 automobiles passed by the 18 border quarantine stations of the department of agriculture during August, carrying 3,520,970 passengers, the department reported.

This compared with traffic in August, 1963, when 1,139,113 cars with 3,346,377 passengers passed the stations.

The Truckee station, with 226,222 cars, 5,591 trucks and 1,098 buses and a total of 681,789 passengers, had the highest count. This was slightly less than the count for July when there were 253,672 cars and was also down from August, 1963, when a total of 251,525 autos were checked.

LAKE LEVEL

TAHOE CITY—Lake Tahoe level this week was 6225.42, according to Daryl De Walt of Tahoe City, and the outflow of the dam has been 275 cubic feet. High temperature for the week was 75 degrees on Wednesday the 16th and a crisp low of 35 degrees on September 19.

Walkers Visit—

Mr. and Mrs. Terry Walker of Roseville were visitors with the Jim Walker family on Ron Walker's birth date.

Frank Giovannoni Promoted To Area Company Manager

Because of the rapidly expanding Lake Tahoe operations, it has been decided to further divide the Lake Tahoe-Truckee district operations of Sierra Pacific Power Co., company officials announced this week.

To implement this, Frank Giovannoni, district superintendent at Truckee, has been promoted to assistant district manager in charge of the North Tahoe and Truckee areas.

Giovannoni began his career with Sierra Pacific in 1938 as a lineman in the electric department. In 1949 he was promoted to line working foreman, the position he held until 1952 when he was advanced to line foreman in Truckee.

In 1962, Giovannoni was promoted to superintendent of the Tahoe-Truckee district, and in 1963 became district superintendent in Truckee.

General Plan For County Approved

The Nevada County Board of Supervisors last week approved the general planning program for the county by a four to one vote. The survey, designed to designate various areas for certain businesses, industries, residential centers and other phases, will be jointly financed by the county, state and federal government.

The county's share will be $10,000 part of which will be paid in services, th estate and federal government contributing approximately $40,000.

The report will be rendered to the supervisors and county planning commission for study and does not entail further expense unless found advisable.

BODY OF MAN FOUND AT LAKE VAN NORDEN

SODA SPRINGS — The body of an unidentified man with a bullet hole in his right temple, was found in a meadow near Lake Van Norden south of Soda Springs Tuesday.

Placer County Deputy Coroner Bruce Johnson said a .38 calibre revolver, containing one expended cartridge was found next to the body.

Johnson said the man was about 23 years of age and had been dead about three days. The federal bureau of investigation is checking on the dead man's fingerprints.

DAMAGE CAUSED BY TRAILER COURT FIRE

KINGS BEACH—An estimated $2,000 damage was done at the Hunt Trailer Court Monday when a fire broke out and destroyed two rooms in the service building.

Part of the building which housed the showers, toilets and laundry facilities was saved by the efforts of the North Tahoe Fire Protection, District headed by Fire Chief Joe Fulton.

The trailer court is owned by Russell Hunt of Redwood City.

TRACER BULLETS ARE UNLAWFUL IS STATE

SACRAMENTO — (CNS) — Some California hunters, who are in search of bargains as well as deer, may unwittingly be carrying ammunition which not only is illegal to possess but could prove a fire hazard.

Eugene Bertsch, in charge of fire prevention and law enforcement in the state division of forestry, said the ammunition is of 303 caliber and unmarked. He said it is reported to be available in unmarked boxes of 20 and 50 and in bandoliers.

"De don't know just how serious the situation is," Bertsch said. "All we know at the moment is that some hunters have purchased dangerous ammunition which is known to have caused three fires in the southern part of the state and that others have unmarked tracer-incendiary type ammunition in their hunting supplies."

The law prohibits even possession of tracer ammunitoin.

Plan Is Urged To Prevent Shortage Of Water At Lake

TAHOE CITY—Officials of the Placer County Water Agency have urged joint action be taken by El Dorado and Placer County to continue the study of a predicted future shortage of water in the Lake Tahoe Basin.

The board met here last week to review a report of the water needs of the area. The report was prepared by the United States Bureau of Reclamation and financed by the two counties and the bureau.

Agency Engineer Sanford Koretsky suggested the joint action be taken to explore what steps should be taken to help alleviate the water shortage.

The water shortage was pointed out by William P. Kohl, a bureau engineer, who explained there will be a need of 24,000 acre feet annually by 1971 if sewage is exported from the basin, or 2,400 acre feet required if the effluent is not exported.

Kenneth Turner, a member of the California-Nevada Interstate Compact Commission, told the directors of the agency, which sponsored the hearing on the survey, "the agency cannot afford to stop moving ahead to develop water for the area."

Several general plans to divert water to the basin were explained and included the possible enlarging of the Stampede Reservoir, obtaining water from Echo, Twin and Silver Lakes, North Fork of the American River and the Rubicon River.

Although there are thousands of acre feet of water in the lake, it was explained only limited amounts of water can be taken from the lake since releases have been committed to supply downstream users of Truckee River water.

Agency Chairman Frank J. Paoli and Agency Director William S. Briner pointed out the agency will continue the review of the bureau report and work toward solving the water shortage in the basin.

TAHOE BOY HONOR GRAD WITH NAVY

SAN DIEGO, Calif., (FHTNC)—Paul H. Williams, USN, son of Mr. and Mrs. David S. Young of Tahoe City., Calif., graduated Aug. 28 as honorman of his company at the Recruit Training Command, Naval Training Center, San Diego, California.

He was selected on the basis of attention to duty, military conduct, responsiveness to orders, cooperation, loyalty and comradeship displayed during recruit training.

The recruit basic training period covers physical fitness, basic military law, military drill, customs and etiquette of the naval service, swimming and survival, first aid and a basic knowledge of ship board routine.

The Naval Training Center at San Diego, one of two centers which conduct navy male recruit indoctrination, trains more than 50,000 recruits each year.

DAYTON NOMINATED TO HEAD LAKE BODY

CRYSTAL BAY—Harold Dayton, Nevada vice president of the Lake Tahoe Area Council, has been nominated for president of the organization.

Other nominations announced by Ivan Sack, chairman of the nominating committee, include Maurice Sheppard, Nevada vice president; Marden Sims, California vice president; John Koontz, secretary and Thomas Regan, treasurer.

Harry Marks, current president, will retire to a position on the board of directors on January 1st. Other council members nominated for three terms as directors are William Briner, Thomas Allen, Ray Knisley, Carlton Konarske, B. E. Lowe, James McClatchy, Jack Shelley, Jim A. E. Wilson, Dayton and Sheppard.

Nominated to serve one year terms on the board are Curtis Clark, William Gulley, Dr. Hillard Holmes, Dr. Phillips Thygeson and Myron Wall.

Buys for Holidays—

Mrs. Nace Firpo has been in San Francisco selecting holiday merchandise for Cabona's Store.

Traffic Sets Record As Roads Blocked Sunday Afternoon

West-bound traffic over Highway 40 on Sunday is believed to have set an all-time record for the number of vehicles.

The Truckee quarantine station reported a total of 10,358 vehicles going over the freeway, to say nothing of those which by-passed the station on Emigrant Way, which numbered into the thousands.

The four lanes leading into the two-lane route over Donner Summit caused a monumental road block which backed traffic up as far as Truckee proper, with all access roads being jammed for hours.

As an example of the tieup, Willie Curran, who resides at the east end of Donner Lake, reported it took him more than an hour to reach home from Truckee, a distance of four miles.

Trucks were held up during the afternoon and evening Sunday, but vapor locks and inexperienced drivers contributed to the long delay.

A beautiful weekend and the opening of the deer hunting season were reported to have been the principal reasons for the heavy volume of traffic.

Man Killed As Car Crashes Into Tree

Karl Sailer, 54, store keeper at an Olympic Village inn, was killed Friday night at 10 o'clock when the car he was driving left the road and crashed into a tree on the Squaw Creek fire road.

Sailer was alone in the car and apparently was traveling at an unsafe speed, the California Highway Patrol reported. The vehicle failed to make a curve.

The victim resided in the Auburn district.

The body was taken to the Truckee Colonial Mortuary.

In the only other accident reported, Alex Stewart, 49, Truckee, escaped injury when his car was struck by one driven by Paul Sanders, 30 of Basalt, Calif. Sanders was cited for failure to stop at a stop sign.

EXECUTIVE MEETING OF PTA IS HELD HERE

The first executive meeting of the new Truckee Elementary School PTA officers was held last week in the office of Principal Wes Sauby. The resignation of Mrs. Evelyn McQuary as president was accepted with regrets.

A discussion was held on the need for a legislative officer to keep the group informed on legislation directly effecting PTA members. With an election coming soon it was felt a better understanding of the various propositions would be beneficial.

A project to raise funds was discussed and will be presented at the first meeting of the membership.

PTA meetings are held the second Monday of each month at 8 p. m., the first scheduled for October 12 at the elementary school. All members and potential members are urged to attend to greet the new teachers and get the PTA off to a big year of activities.

GROUSE SEASON WILL BE OPEN SATURDAY

The Sierra and ruffed grouse hunting season in several mountain counties of central California will open Saturday and run through October 4, the department of fish and game announced this week.

The season will open in the counties of Plumas, Butte, Yuba, Nevada, Placer, El Dorado, Amador, Alpine, Calaveras, Tuolumne, Mariposa, Madera, Tulare, Mono and Inyo, a small portion of Lassen County and most of Sierra County. The balance of the state is closed to grouse hunting.

The bag limit and possession limit is two birds for the season.

MARTIS LOOKOUT

Fred Scott, the regular lookout for the U. S. Forest Service on Martis Peak is undergoing treatment in a Reno hospital and Mrs. Fosten Wilson is temporarily in charge of that station.

Wolverines Lose Loyalton Game As Grid Season Open

Playing their first game of the season, the Tahoe Truckee Wolverines displayed mid-season form Saturday against an underrated Loyalton lineup at Loyalton but lost 13 to 6 in a non-conference football contest.

Coach Guy Wilson praised his team for the aggressive tough fight and fine teamwork exemplified.

Loyalton scored both touchdowns in the first half, the first on an end run which netted 55 yards and a score and the second on a 55-yard pass play. The Wolverines made their TD in the first half on a 45-yard pass from Dennis Douglas to Chuck Spillner.

Art Waddell, Tahoe-Truckee center, suffered a dislocated shoulder on the kickoff as the game started and will be lost to the team for the next few games. Coach Wilson substituted Scot Domergue and the latter, playing his first game in the important spot, performed like a veteran.

Both teams played headups defensive football and both were scoreless in the second half.

In the preliminary game, the Wolverine Junior Varsity scored a 21 to 0 victory over the Loyalton squad.

The next game will be at Colfax on October 3 the team being idle this week.

Record Deer Kill In District Report

The deer kill in this area during the first weekend of the current season lacked one of tieing the complete count for the entire 1963 season, according to tabulations compiled by the Truckee District office of the U. S. Forest Service.

There were 366 tags validated in this area during the weekend and during the season last year only 367 were checked.

There were many more hunters in the district than usual, resulting in a monumental traffic jam over Donner Sunday afternoon and evening as they returned home.

Weather was ideal, but the fire hazards were high and several incipient fires were caught before they developed.

BIBLE SEES HOPE FOR PARK AT LAKE TAHOE

Senator Alan Bible of Nevada announced this week that a park and recreation development at Lake Tahoe has been promised consideration by the federal government.

He said Secretary of the Interior Stewart Udall has assured him that plans for a Nevada state park at the lake. This can be accomplished under the new land and water conservation law which provides matching funds for states to develop recreation facilities.

Bible said the area proposed was viewed from the air last week by President Johnson.

CHURCH PICNIC SET FOR PROSSER LAKE

The Methodist Church will hold a picnic Sunday, September 27 between 3 and 6:30 p. m. at Prosser Lake. It will be a pot luck affair and each family will bring their own fried chicken, the church members will provide salads, cakes and punch.

Games will be played by the youngsters and a good time is promised everyone attending. Transportation will be arranged by calling 587-3317.

BERRY RECOVERING

Word from Pittsburgh, Pa., is to the effect that William B. (Bill) Berry, 61, Reno sports writer and widely known winter sports authority and director of the ski hall of fame, is recovering in a hospital after suffering a stroke. Berry collapsed two weeks ago in a restaurant at Blairsville. He was en route to New York to meet his wife for a vacation.

BOARD MEETING

The regular meeting of the Truckee Cemetery District Board will be held on Monday, September 28 at 7 p. m. in the Nevada County Government Building with President Everett A. Parker presiding.

Simon Jailed After Recovering From Attempted Suicide

Casper Simon, 54, Truckee, who officers said, shot himself in the head after wounding his wife, Mae, 48, during a quarrel in the Reams Hotel on West River street September 10, has recovered sufficiently to be removed to the Nevada County jail where he is held on a charge of assault with intent to kill.

Mrs. Simon, who was shot in the shoulder and left arm remains in the county hospital at Nevada City.

Simon was taken to the county jail Sunday and will be held pending a hearing, officers said.

The shooting occurred about 10 p. m. September 10 when Simon called on his estranged wife in the hotel which she managed. Passersby heard the shots and summoned Sheriff's Deputies Preston Patnoude and Robert Schooley who took the pair to the Tahoe Forest Hospital for emergency treatment. They were later removed to the county hospital.

Tahoe Ski Club To Hold Initial Meet

TAHOE CITY—The first meeting of the current season for the Lake Tahoe Ski Club will be held at the Tahoe Lake School Friday, September 25 at 8 p. m., President Larry Lindsey announced.

Coaches, members of the competitive committees and members of the board of directors will be present and both parents and juniors interested in the Junior Racing Program are urged to be present.

Memberships in the club are $10 a year for singles and $20 for families. This entitles the holders to reduced season rates at Alpine Meadows and makes it possible for the juniors to participate in the junior racing training program.

Head Coach Pepi Greimeister and members of the competition committee will be introduced and Pete Perata, the Nordic ski committee chairman, will discuss the Nordic program.

RIVER HOME LOOTED, REWARD IS OFFERED

Dr. Stewart Way of San Francisco, who owns a summer home on the Deer Creek along Highway 89, is offering a reward for information leading to the arrest of the thieves who broke into his local home recently and made off with numerous items.

The Ways discovered the burglary recently when they visited the home. A window had been broken for the thieves to gain access. Considerable vandalism was noticed and among the items taken were an electric range, blankets, tools, imported dishes and other things.

The electric heaters had been turned on and all the doors were left open.

HEALTH CLINIC WILL BE HELD ON FRIDAY

The regular Nevada County Health Department Immunization Clinic will be held on Friday, Sept. 25, 1964, at the new Nevada County government center in the Gateway Park area.

The hours will be from 12 noon to 1 p. m. The Sabin vaccine will be available.

PLACER COUNSEL IS SELECTED BY BOARD

AUBURN—Richard V. Smith, a deputy district attorney for three years, has been appointed Placer County's first county counsel.

The board of supervisors named Smith to establish the office on a vote of 4 to 1, with Supervisor J. O. Anderson opposed.

GUILD TO MEET

The regular meeting of the Assumption Guild will meet Monday, Sept. 28, at the Parrish Hall at 8 o'clock. Mrs. J. Reichlin will preside.

SORORITY PLEDGE

Miss Sandy Fellows, daughter of Mr. and Mrs. Raymond Fellows of Carnelian Bay, has pledged Phi Rho of Delta Delta Delta at the University of the Pacific in Stockton, California, on September 11.

Small Fires Harass Crews As Hazards Continue In Area

Speedy, concerted efforts by all agencies have prevented what may well have been a very disastrous week of fires throughout this district.

Conditions became so extreme that a state ruling banning all open fires, is being enforced by the U. S. Forest Service as well as the state, as every attempt is being made to avoid more disastrous conflagrations.

The Truckee district had its biggest fire of the season Sunday at 3:30 p. m. when an acre was burned over just north of the Prosser Lake dam. The fire started in the dry grass along the road near the dam and swiftly spread into the trees and brush. All available facilities, including the borate planes, inmate crew, suppression crews and volunteers rushed to the scene and held the threatening blaze against a strong wind.

Three incipient fires were quickly extinguished Monday, two in the Homewood area where the Tahoe City fire department responded to an alarm, and one at Dry Creek near Truckee, which was caught by a forest service patrolman before it gained headway.

A quarter-acre fire at the upper end of Cold Stream was spotted Tuesday and soon brought under control. The plane from Nevada City dropped one load of borate on the blaze and a crew from Truckee mopped up the remains.

A major fire threatened in Sardine Valley Sunday afternoon. This was held to less than two acres by the alert crews.

Some of the fires were believed to have been caused by carelessness on the part of inexperienced hunters. Several abandoned campfires were discovered throughout the area Sunday and notices of violation were given three campers, according to the forest service.

Major fires at Bridgeport and Markleville were battled.

The strong wind made control of all fires virtually impossible once they got started and the state forestry division, as well as the U. S. Forest Service was kept on the run as one fire after another spread in the tinder dry grass and brush in all parts of northern California.

The order to cease all open burning was issued Monday when the conditions became so extreme that it appeared impossible to cope with the rising hazards. Wind, low humidity and dry fuel in the forests caused a major threat from the smallest fire.

It is possible that even logging operations will be curtailed unless relief is forthcoming.

HUNTER SHOOTS SELF IN TOE ON SUMMIT

The only mishap reported in this district during the opening days of the deer hunting season occurred Sunday when Charles Anderson of Colfax shot himself in the toe while unloading a .22 calibre rifle at Soda Springs.

The number of hunters in the area probably set a record and the fact that only one injury from bullets was recorded speaks well for the care used by the hunters.

TWO BABIES ARRIVE AT LOCAL HOSPITAL

Two babies arrived this past week for their parents at Tahoe Forest Hospital. Mr. and Mrs. Gerald Wetle of Donner Lake became parents, September 17 of a daughter, named Kimberlee Ann. Her weight was 6 pounds, 12 ounces.

Mr. and Mrs. Thomas Grow of Kings Beach named their second son, Daniel Kessner who was born September 21.

Young Dan first tipped the scales at 7 pounds, 3¼ ounces.

PARENT TEACHERS TO HOLD SQUAW SESSION

Squaw Valley will be the location of the California Congress of Parents and Teachers eighth annual Convention.

The two-day meeting will be held September 30 and October 1, in the Village Theatre.

This year's theme is a most timely one, equal educational and cultural opportunities for all children regardless of race, creed, or national origin. The convention will present current problems and needs and ways of copeing with them.

For further information please call Mrs. Clatterbuck, historian of the Truckee elementary school organization, phone 587-3619.

TAHOE BUILDING

AUBURN — Jack R. Bell, chief building inspector for Placer County, reported building valuations for the month of August totaled $1.7 million. More than half of the construction activity was reported in the Lake Tahoe region.

PROPOSAL MADE TO HOLD DISTRICT VOTE UNIFORMLY IN STATE

SACRAMENTO — (CNS) — Assemblyman Leroy F. Greene, D-Sacramento, has proposed that all school districts and special districts be required to hold special elections on certain days of the year.

Greene, speaking to the assembly committee on elections and reapportionment, said it often is noted the voter turnout at such special elections is very low.

"But how many voters knew there was an election?" he asked. "Units of government are trying to exercise home rule by trying to avoid the voters."

Greene said he didn't believe such special district elections should be consolidated with the general or primary elections. However, he said certain days of the year could be designated for local elections and then the districts would be required to hold them on these days.

Jack Wickware, of the League of California Cities, said the league generally supported consolidation of local elections with partisan elections, except it would not favor consolidating local non-partisan elections with partisan elections.

Wickware said the average vote for special districts was only 27 per cent of the registered voters and there had been such elections when the turnout was as low as 3 per cent.

Assemblyman Don A. Allen, D-Los Angeles, said there also was a lack of information as to how much special elections costs. He said the districts pretty much operated as they wanted on in holding elections.

"Somebody once wrote a song called 'to Each His Own,'" Allen said, "and they believe it."

The assembly committee apparently wasn't much more interested in the question of local elections than the voters have demonstrated. No members showed up for the hearing and it was conducted by Allen alone.

LOCALS SELECTED

Tahoe-Truckee students nominated as student council representatives for the Sierra College dormitory include Bill Jones and Mike Moore of Tahoe City, Harry McIntyre of Tahoe Vista and Shiela Bacus, Georgia Bennet and Jean Spitsen of Tahoe City for the coeds. Bottoms Up Revue Pleases At Nevada

CRYSTAL BAY—A titilating bit of Las Vegas song-and-dance and spicy-but-nice skits and blackouts packaged in a revusical called "Bottoms Up" continues to amuse and amaze late season show-goers in the Topaz Room of North Lake Tahoe's Nevada Lodge.

This riotous musical comedy revue tailored for the Tahoe funseeker bears a startling resemblance to the Hollywood favorite of a few years ago . . . the famous Ken Murray's Blackouts.

Under the deft direction of Breck Wall and Joe Peterson, Bottoms Up has proved to be a crowd-pleaser at the Nevada Lodge, North Lake Tahoe's biggest year-around hotel-resort-casino. Bottoms Up is fun to watch . . . and to listen to. The frantic fantasy of skits, blackouts and gorgeous showgals produces 45 minutes of swift-paced fun.

Leading the festivities is the comedy team of Mitzi McCall and Charlie Brill, a zany duo that competes with co-producer comedian Breck Wall and the hilarious Bill Fanning for laughs.

All indications point to a continuing successful run at the North Tahoe fun-spot for this 17th hit revue produced by the sparkling Wall-Peterson duo.

Also joining in the on-stage Bottoms Up fun are beauteous Jan Sutton, Betty Bunch and Joyce Grayson. Other members of the talented showteam are Questa Donnelly, Jill Jenkins and John Ritsko. The orchestra for Bottoms Up is under the direction of Jimmy Campbell.

Show times are 8:30 p. m. and 11:30 p. m. Tuesday through Sunday with a late, late show at 1 a. m. on Friday and Saturday nights.

A must-see in Reno, in our opinion, is the Steen Building on Plumb Lane next to the airport. It is one of the most impressive buildings in either the Reno or Lake Tahoe area being of unusual design and sets off to full advantage the quantities of materials displayed. The offices are beautiful and adding to interest of the building were the paintings of Mrs. Steen—gorgeous paintings of mountains and the out of doors.

The Reno Republican Women's Club held their membership tea in the Steen Building. Ceta Hooper of Kings Beach and Reno winter resident attended the tea with sister, Bethel Van Tassel of Tahoe Vista.

Speaking of architects, Professor Wolfgang Gerson of the University of British Columbia at Vancouver, B. C., has just completed the new Unitarian Church in that city. He is professor of architecture at the university. Parents, Mr. and Mrs. Oscar Gerson of Berkeley visited friends on the North Shore this past week. As father is a retired architect, he is mighty proud of his son's accomplishment.

Grandson of Gerson's, Martin, is director of the Liberal Religious Youth of the new Unitarian Church.

Inez Jordan, president of the Women's Club of North Tahoe, advises that the group will postpone their September meeting until Monday, October 5th. Meeting place will be announced as well as the program. The date was set up because of the convention during the last of September which will keep many occupied who would otherwise be free to attend the meeting.

Mrs. Rita Martella and Mrs. Bruna Martella of Modesto were guests last week of their brother and family, Dave and Betty Solari and baby son, Davey, of Kings Beach.

Bud and Jill Shaffer of Kings Beach enjoyed a week's vacation to Los Angeles where they visited Jill's twin sister and husband, Joan and Jerry Thron.

Sheryn Abrahamian of Agate Bay, daughter of Abe and Georgia Abrahamian, has enrolled at the University of Nevada at Reno.

Cheri Critchley of Tahoe Vista daughter of Bob and Mae Critchley, is off to Armstrong College in Berkeley.

Longtime friends, Ralph and Helen Stolberg of La Jolla, stopped for a visit with Bethel Van Tassel at Tahoe Vista Thursday. Caught up on events of the past hree years, one of which was the rebuilding of the Sears store in Oakland where Helen and Bethel were employed a few years ago.

The air races in Reno were doubly interesting to Bernita Jones of Brockway, son, Jack Shaver of Annapolis, Maryland, was a participant and represented Maryland Airmotives in the National Air Races from Clearwater, Florida, to Reno. Jack came in fifth and Bernita and son Don and Ethel Shaver of Tahoe City were at the airport when he landed.

Due to starter trouble in Oklahome City which delayed him almost two hours and which required nine men to start the plane by hand, Jack otherwise would have placed third.

It is thrilling to know that these at Lake Tahoe were a part of this exciting event.

FAREWELL TO TAHOE TAVERN—

Pacific Telephone joins with all the people in the Lake area to bid farewell to Tahoe Tavern.

The Tavern was built in 1900 and closed its doors on September 7, 1964.

In the next few months the buildings will be torn down and a new area will begin on this lovely location on the Lake.

You don't have to be an expert archer to work for the Telephone Company, but sometimes it helps. On several occasions telephone men have put bows and arrows to good use in getting a phone line across a lake or deep ravine. These modern day William Tells attach a light line to an arrow, take careful aim, and shoot it over to a helper on the other side. Then the telephone line is attached to the lighter line and pulled across . . . another interesting way in which telephone people provide service quickly and economically.

Color television may seem fairly new to most of us. But the public actually got its first look at color TV over 35 years ago. The Bell Telephone Laboratories in New York, a pioneer in the field, demonstrated this product of its research to a limited audience on June 27, 1929.

Think up! More people are flying today than ever before. In fact, at any one moment there are as many as 20,000 commercial and military planes in the air over this country. If you travel by air, you've probably noticed the impressive role your telephone plays in travel planning. You usually call up for reservations and flight information first off. Then, you reconfirm or check departure and arrival times by phone, right? But the telephone's importance to flying doesn't stop there—no sireee! A 350,000 mile Bell System network of telephone and teletypewriter lines—one of the world's fastest communications systems—links together the major air traffic control centers, radar stations, airport towers, weather bureaus, airlines, and military bases throughout the USA to help assure your comfort and safety while flying.

TAHOE TRUCKEE SCHOOL NEWS

KING'S BEACH SCHOOL

1st Grade—Mrs. Corbin: We now have thirty students in our class, after the division.

Lynn Louderback was ill today with a cold.

Rocky Poulter has been out of school for several days, we hear that he fell on the way home from school.

2nd Grade—Mrs. Smith: We had 43 students in 2nd grade the first week, but starting the second week 12 of the children moved to Mrs. McDown's room for a combination first and second grade. Those who changed classes were Kit Briscoe, Lori Dean, Renee Gilmore, Vicki Mitchell, Susan Reynolds, Candi Whitley, Cynthia Tito, Peter Adamco, Randy Dunham, Mike Paris, Doug Reynolds and Brad Rutledge.

New students this year are Rolla Birch, Greg Williams, Billy Smith, Gail Calkins, Melinda Combs, Debra Douglass, Patty Hight, Gi Gi Girasch, Sharon Goss, Ada Burns, Sheeree Maloney and Roberta Stewart.

We have an aunt and her niece, an uncle and his nephew and two sets of brothers and sisters in our class.

3rd Grade—Mrs. Thomas: Our class was very large so this week we got another teacher for part of the third grade.

We now have 27 students in our class. These students are new to our school this year: Tom Clark, Roger Haynes, Jack Hight, Craig Holmstrand, David Lewis, John McDown and Chrissie Burns.

Steven Brehler and Chris Burgwin had birthdays the first week of school.

Sharon Briscoe was ill one day this week.

Teresa Ferrari has had all A's in arithmetic for the first two weeks of school.

The following students have received A's for the first two weeks in spelling: Lewis Anderson, Stuart Baxter, Buddie Bitler, Chris Burgwin, Robert Fanning, Billy Larson, Sammy Lohr, John McDown, Sharon Briscoe, Florina Dow, Katie Felte, Teresa Ferrari, Suzanne Fuhrman, Kathie Lee and Marilyn Newlun.

3rd—4th Grade Combination—Mrs. Hendrix: The third-fourth grades elected Jeff Molsberry to be their president.

In arithmetic this week the following students received 100 per cent: third grade—Patricia Calkins, Robin Hatfield, Steve Henson, Ronda Hoy and David Jones; fourth grade—Michael Allsup, Vance Eckhardt, Diane Martinez and Mike Maxhimer.

4th Grade—Mrs. Wing: Since our class was too large the following children moved into the other four grade which is taught by Mrs. Tammy Hendrix: Vance Eckhardt, Diana Martinez, Mike Hiatt, Michael Allsup, Ann Gorrindo, Jeff Molsberry, Russell Potts, Mike Maxhimer, Carlitta Sumpter, Gary Frye, Jack Van Loan, Debbie Tito and Jeanette Furguiel.

Our monitors for this month are: Davey Ferrari, Brenda McKennon, Christine Weber, Lee Wentz, Vicki Harris, Colleen Balsley, Mike Kornazewich, Mike Rich, Blythe Cheeseman, Cathy Clifton, Chuck McDown, Jerrie Douglass, Liza Faulkner and Dorothy McDonald.

5th Grade—Mrs. Ferrari: Giselle Peiro a 5 year old girl who was born in France came to visit our class this week.

New to our school this year are Gregory Flynn, Gary Murphy, Guy Searcy, Robert Sikorski, Raymond Stewart, Richard Stewart and Rory Wilson.

7th Grade—Mr. Wilen: Class elections were held, and to fill the first offices of the year were: president, Scott Burgwin; vice-president, Tony Combs; secretary-treasurer, John Gorrindo and librarian, Lana Hall.

The first science tests found Dona Lisa Beck with the only "A". In spelling, however, the following all had "A's": Gary Abrahamian, Tony Combs, Ricky Decker, John Gorrindo, Jay Johnson, Gary Martin, Marx Rutledge, Lana Hill, Taber Maxhimer and Debbie Westlund.

In the 6th grade science class, the following "A's" were given on their first test: Richard Abbott, Scott Hawkins, Paul McDown, Vicki Hamilton and Martha Pope.

The 8th grade have completed two science tests, and those with the highest averages on both include Richard Johnson, Gary Miner, Mickie Barker, Susan Hawkins and Cathy McIntire.

TAHOE LAKE SCHOOL

Kindergarten — Mrs. Henke: 50 children were enrolled in the Tahoe Lake kindergarten class.

September birthday honors go to Brent Bonino, Timmy Carnell, Megan Evans and Heidi Chisholm.

The following children surprised the teacher when they counted all pupils in their class without help: Kathy Kearns, Drew Briner, Carl Crane, Mark Bechdolt, Brian Pundt, Tami Williamson, Cherie Hoff, Laura Hendrix and Pat McCafferty.

First Grade—Miss Bean: In the A. M. first grade room this week Cindy Orr made the most stars on perfect papers. The best printing papers were done by Kathy Hicks, Helene Haas, Linda Helm and Christopher Collins.

First Grade—Mrs. Kelly: All the members in our class are working very hard. Two students are doing especially well with their printing. They are Paul Baker and Kim Pier.

Second Grade—Mrs. Steinhauser: Many new students were welcomed to the A. M. second grade this year. They are: Ted Kinnamon, Cindy Collins, Steven Frisbee, Dennis Rothenberger, John Lane, Anja Erikson, Charles Marr and Jackie Miller.

TAHOE TRUCKEE SCHOOL NEWS

(Continued from Page 4)

are pleased to welcome the following new students to our school and class: Marjorie Balling from Fleur du Lac; Ron Hansen from Paradise and Steve Evans from Modesto.

We are studying the geography and history of Mexico and have enjoyed the copies of Aztec and Mayan artifacts loaned to our class by Steve Evans, Doug Lindsey and Mrs. Brower.

Outstanding papers in history have been presented by Yvonne Baker, Marjorie Balling, Gairl Brown, Patty Ely, Sherry Freeland, Kevin Kehoe, Vaughn LaTour, Jennie Michener, Bill Moyer, Suejean Ransom, Carl Ruhkala, Cindy Streepy, Susan Terry, David Thomson, Marlene Lyle and Lynne Doyle.

In arithmetic we have been reviewing fundamentals. We all need to work on these, but those having the best recall of fundamentals after the summer vacation are: Lynne Doyle, Marjorie Balling, Suejean Ransom, Carl Ruhkala and Yvonne Baker.

The girl's P. E. class is taught by Mrs. Betty Goodhue. The boy's P. E's, taught by Mr. Deryl Strong. Mrs. Goodhue also teaches our class scinece and health. We have two reading teachers, Mr. Strong and Mrs. Brower.

We have not yet elected class officers but both Cindy Streepey and Doug Kelley have served as temporary class presidents.

Seventh Grade—Mrs. Goodhue: Monday we elected class officers. They will serve our class for three months. Our officers are: president, Herb Clegg; vice-president, James Long; secretary, Kathleen Lasky; treasurer, Jan Person; council woman, Leslie McBride; alternate councilman, Tom Rodgers.

The following people had perfect grades: Laura Hoxsie, Judy Knol and Patty Northrup.

Those making 100 per cent on unit 1 in spelling are: Mindy Bechdolt, Mark Davis, Leslie McBride, Carolyn Meeks, Doug Modlin, Patty Northrup, Tom Rodgers, Arthur Standish and Debra Orr.

On unit II: Carolyn Meeks, Kris Francovich, Leslie McBride, Cathy Collins, Laura Hoxsie, Herb Clegg, Kathleen Lasky, Debra Orr, Doug Modlin, Judy Knol, Patty Northrup, Sharon Christenson and Herb Clegg.

Seventh Grade—Mr. Brower: Spelling grades are given in written work as well as in the weekly spelling lists. Those with A or A- grades for written work this week are: Andrea Streepey, Sally Starratt, Cathy Menges, Lynn Martin, Lynn Duttweiler, Marlene Berg and Nikki Ballenger.

Nikki Ballenger, Lynn Duttweiler, Mary Hauserman, Jack Jones, Linda McDonald and Cathy Menges earned A's for a short science paper.

The results of a grammar punctuation test clearly show need for further review. However, some of the stalwarts came through nicely. Carl Lindstrom and Linda Buschke join Nikki Ballenger, Lynn Duttweiler, Sally Starratt and Cathy Menges with A grades.

Eighth Grade—Mr. Steinhauser: Class started this year with thirty pupils. Elected classroom officers include: Dennis Scoville, president; Bill Dutton , vice-president and Cheryl Bechdolt, secretary-treasurer.

Student body elections will be held next week. All officers to be elected will be voted upon by the Student Body at large. (Fifth through eighth grades).

Fifth Grade—Mrs. Evans: The fifth grade has several new students this year that we were happy to welcome to Tahoe Lake School. They are David Champion from San Jose, Greg Williams from Grass Valley, Robert Barwin from Roseville, Dianna Pendergraft from Grass Valley, Robbie Marr, Sacramento, Kelly Cox from Burlingame and Paul Gilbert from Federal Terrace, Nevada.

Class officers were elected. Charlene Keehn is president, with Greg Jones serving as vice-president. Mike Bechdolt is representative to the student council.

The following students made 100 per cent on this week's spelling test: Debbie Sivertsen, Shaun Bryan, Dianne Buschke, Kelly Cox, Robbie Easton, Robert Barwin, David Kahn, Susan Kettenhofen, Kevin Greene, Greg Jones, Susan Lewis and John Attardi.

Second Grade—Mrs. Read: Perfect spellers this week were: Karen Duttweiler, Sandra Siegel, Doug Swan, Wanda Brown, Linda Cosby, Blain Hendrix, Mark Mercer, Timmy Tilton, Deborah Grahn, Kathy Rogers, Leslie Cordone, Ronnie Prouty, Judy Jankowsky, Chris Gilbert, Deano Jaynes, Dawn Long, Michelle Chisholm, Derek Streepey, Robert Atwater and Cheryl O'Brien.

President this week was Timmy Tilton. His helpers were Larry Cannon, Kathy Rogers and Michelle Chisholm.

HIGH SCHOOL

Two former students at Tahoe Truckee High School were recently awarded their high school diplomas after completing their requirements Tim Stark of Truckee, now serving with the U. S. army, completed his work through the United State Air Force Institute.

Don Smith of Tahoe City, a member of the class of 1964, fulfilled his final requirement during the summer months at Oakland Technical High School.

Coming Events at Tahoe Truckee High School:

September 24: Freshman class election of officers.

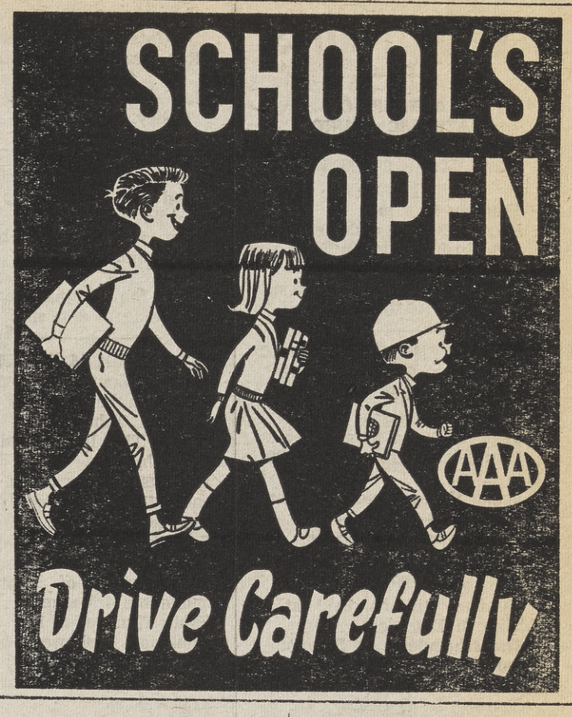

September 25: Individual school pictures will be taken.

September 28: Mr. Coons of the state repartment of employment will meet with all seniors to discuss the testing and vocational counseling program available to them during the school year. This program is particularly directed toward the vocational-oriented and non-college type students.

NURSERY SCHOOL

Once again the Truckee nursery school is in progress with Mrs. Jean Manetta as director. There are many new activities planned with 20 anxious children to enjoy them.

An average 12-year-old buffalo bull weighs 1795 pounds, stands 6' 1" tall and is 10' 5" long.

Exodus 20:8 "Remember the Sabbath day to keep it holy."

Exodus 20:10 "But the seventh day is the Sabbath of the Lord thy God . . ."

The International Date Line "placed" in the Pacific in 1884 says it can be Friday (6th day) on one side, with Saturday (7th day) on the other. When one crosses the Date Line, there is a break in the weekly cycle, which misplaces the Sabbath, if one follows the dictates of the laws of man rather than God.

Where did God begin holy time before the Date Line was set? God began holy time (the Sabbath) when the sun set on the 6th day or Friday, in Palestine, and chose Jerusalem as his headquarters, to build his temple and to place his name there. This is where Jesus kept the Sabbath day, and we know he had it right. But if the Sabbath is kept according to International Date Line time, it begins eight hours earlier than at Jerusalem on the east side of the Date Line. On the west side of the Line, it begins sixteen hours later, the way man has set up time.

Did God go along with this change? The answer is found in the word of God. Malachi 3:6 "For I am the Lord, I change not" Also, Hebrews 13:8 "Jesus Christ the same yesterday, and today and forever." God has never answered to any change from man and he never will.

God says don't add to or take from his word. Deuteronomy 12:32. Also, Revelation 22:18, "For I testify unto every man that heareth the words of the prophecy of this book, if any man shall add unto these things, God shall add unto him the pagues that are written in this book." Revelation 22:19. "And if any man shall take away from the words of the book of prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book."

The seventh day is the Sabbath of the Lord Thy God. Man made a date line and said the sixth and seventh day can exist at the same twenty-four hours of time. For instance, here in America ,newspapers reported President Kennedy was killed Friday, November 22, 1963. But Australia papers stated he was killed on Saturday, November 23, 1963.

According to the way man counts time, it takes two days (48) hours for the Sabbath to be over, for the whole world.

The question in many people's minds would be ,did God make two days holy? Some churches teach that we are to keep the Sabbath from Friday sunset to Saturday sunset whereever you are at, they claim this is the exact same 24 hour creation Sabbath. But this is impossible. In Israel, the Jews begin the Sabbath when the sun sets on Friday, but the sun does not set until 7 hours later in New York. The only possible way Christians can keep the exact creation Sabbath, in unity at the same time around the world, is to keep it from even to even Jerusalem time.

Leviticus 23:32 ". from even unto even shall ye celebrate your Sabbath." Jesus Christ kept the Sabbath from even to even Palestine time; he is our example; we are to follow in his steps. I Peter 2:21.

A good many deer were taken out of the area last weekend during the first days of hunting season here. Traffic was bumper to bumper again as hunters with cars trailering jeeps, horses, etc., headed back home.

The weather couldn't have been better, cool and clear.

Several fishing boats were out on the lake, some of the hunters combined the sports over the weekend.

Just a few more feet to go and the lake will be at the low level mark.

The mama duck that comes back to Donner year after year and usually has eight little ducklings to care for is still around, however, her brood have become mature and some have left to be on their own. It has been fun to watch her teach the little ones to swim and then to fly. They have made many daily trips up and down the length of the lake.

Jack Samples of Sacramento stopped by the other day and introduced his bride, Billie. They had just been married in Reno the night before and had as their witnesses, a well known couple from Donner Summit, Milt and Maggie Avila. Billie married the boss! She worked in Jack Samples Ski House in Sacramento last winter and like Jack is an avid skier. Milt and Maggie are now living in Reno and are both working at the Nevada Electric shop on North Sierra.

PONDEROSA PALISADES UNIT NO. 1 ASSESSMENT DISTRICT RESOLUTION OF INTENTION NO. 64-134

RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA:

That it is the opinion of this Board that the public interest and convenience require that it is the intention of this Board to order the following described work to be done and improvements to be constructed in certain places, rights of way and public roads in the Counties of Nevada and Placer, to-wit:

That Ponderosa Drive, Tamarack Way, Pine Cone Road, Silvertip Drive, Snowflower Court and the Access Road within the subdivision Ponderosa Palisades Unit No. 1 as shown on the official plat thereof recorded in the Office of the County Recorder of Nevada County in Book 2 of Subdivision Maps, at Page 24 and in the Office of the Recorder of Placer County in Book H of Maps, at Page 50 be improved by constructing thereon pavement consisting of aggregate base with asphaltic concrete surfacing, drainage facilities consisting of ditches and culverts, street signs, and a domestic water distribution system;

That an easement along the lines of Lots 56 and 57 of said subdivision be improved by constructing thereon a paved drainage ditch;

That the following described easements within said subdivision be improved by constructing thereon a water pipeline:

A. the North line of Lot 24
8. the North line of Lot 43
C. the North line of Lot 50
D. the West line of Lot 50;

That all necessary appurtenances for the above described improvements be constructed and that all refuse and surplus materials be removed and disposed of.

That all of said work shall be done and said improvements shall be constructed pursuant to Division 7 of the Streets and Highways Code of the State of California, the Improvement Act of 1911, as amended, and shall be of the sizes, dimensions, materials, and in the positions and locations and to the grades as shown and described upon and all in accordance with the plans and specifications, for Ponderosa Palisades Unit No. 1 Assessment District, approved by this Board on September 15, 1964, and now on file in the office of the Clerk of this Board.

That in the opinion of this Board of Supervisors the public interest will not be served by allowing the property owners to take the contract to perform the work of improvement herein described, and such property owners shall not be permitted to enter into a written contract to do said work.

That it is the opinion of this Board that said work and improvements are of more than local and ordinary public benefit and that this Board hereby orders that the costs and expenses of said work and improvements shall be charged upon a District and that this Board hereby declares that said District is the District to be benefited by said work and improvements and that said District shall be assessed to pay the costs and expenses of said work and improvements.

That the exterior boundaries of said District and the extent of the territory included therein are shown upon the map of said Ponderosa Palisades Unit No. 1 Assessment District adopted and approved by this Board on July 1, 1964.

That said map is now on file in the office of the Clerk of this Board and this Board hereby refers to said map and to the Resolution approving said map for a particular description of the boundaries of said District and extent of the territory included in said District, and that this Board hereby declares that the area of all public highways, streets, and roads included in said District is excepted from said District.

THAT THIS BOARD HEREBY GIVES NOTICE that Serial Bonds, made payable to bearer, shall be issued pursuant to Part 5, Division 7 of Streets and Highways Code to represent unpaid assessments of $50.00 or more, and that said bonds will bear interest at the rate of six per cent (6%) per annum and that the last principal installment due on said bonds shall mature fourteen (14) years from the 2nd day of January next succeeding the 1st day of September following their date, and that the redemption provisions of said bonds shall provide a premium of five per cent (5%) of unmatured principal if redeemed before maturity.

THAT THIS BOARD HEREBY GIVES NOTICE that it sets October 1st, 1964, at the hour of 2 o'clock P. M. in the chambers of the Board of Supervisors of the County of Nevada in the Nevada County Courthhouse in the City of Nevada City, California, as the time when and the place where any and all persons having any objections to the proposed work and improvements herein described may appear before this Board and show cause why the proposed work and improvements should not be carried out in accordance with this Resolution of Intention, and THAT THIS BOARD HEREBY GIVES NOTICE that any owner of property liable to be assessed for said work and improvements may, at any time not later than the hour set for hearing objections to said work and improvements, make and file with the Clerk of this Board a written protest against the proposed work and improvements or against the extent of the District to be assessed, or both.

That the Clerk of this Board shall cause this Resolution of Intention to be published twice in the Sierra Sun and Truckee Republican, a newspaper published and circulated in said County of Nevada, which said newspaper is hereby designated for that purpose and which is hereby designated as the newspaper in which all further notices required to be made herein shall be published.

That the Clerk of this Board is hereby directed to mail notices of the passage of this Resolution of Intention to all persons owning real property which is to be assessed to pay any part of the cost of the work and improvements hereinabove described.

That the Engineer of Work of the County of Nevada shall, in the time, form and manner provided by law, cause notices of the passage of this Resolution of Intention to be conspicuously posted along the lines of the work and improvements described herein and on all the open streets within the District above described.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, THIS 15th DAY OF SEPTEMBER, 1964 by the following vote:

AYES: SUPERVISORS Ricker, Bishop, Hennessy, Blake, Loehr.
NOES: SUPERVISORS None.
ABSENT: SUPERVISORS None.

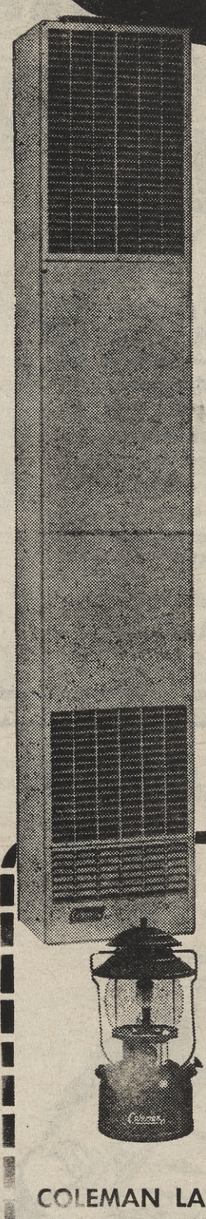

H. G. LOEHR,
Chairman of the Board of Supervisors.

Buick

We changed the Buick a lot this year. And you may never be the same again yourself.

We doubt you'll want to be the same. Not once you set eyes on our new Buicks.
On the Buick Special and the Skylark. The LeSabre, Electra 225, Riviera.
And on the sleek, modified fastback of the wild, wilder, Wildcat in the picture.
True, there's a new high-style touch. But that's hardly all. Engineering
still has the emphasis. It's a Buick tradition. So are the extras
Buick spends a little extra on. Like finned brake drums that do a little better.
And smoother drivelines. A tuned suspension to smooth ribcage roads.
Now add Buick's Super Turbine transmissions—and you have an idea
of what Buick owners have always liked about Buick. We think you'll feel the same.

Wouldn't you really rather have a Buick

The room tax which the board of supervisors proposed was protested by 138 motel operators with 16 persons appearing at the board meeting in Auburn last week. Among those speaking against the tax were Wendall Russell, T. L. James, William Bates, John Bulmer, Steve Stephenson and representing the California Motel Association from Sacramento was Fred Feiten.

The supervisors agreed to meet with a committee of motel operators and attempt to work out a plan of obtaining money for promotional advertising for Placer County without placing the burden of taxation on the motel industry in the Lake Tahoe area. The Lake Tahoe motels represent 98 per cent of the motels in Placer County.

A room tax would certainly be mighty unfair to the Lake Tahoe operators inasmuch as the tax would be spread throughout the county and discrimination against the motels. The money proposed should be from an equalized source and all businesses should participate in a tax. However, with taxes as high as they are, why another?

The State of California has also proposed a room tax, however it is not anticipated for another two years and no definite plans are in the making at this time. That's what the man said!

The Tahoe Vista home of Robert and Joyce Kellog was the setting for the marriage of their son, David Robert Kellog, to Sonja Svenson on September 12th.

The ceremony was performed by Rev. Irvin Morris of the Community Presbyterian Church of Tahoe Valley amid a bower of pink and white gladiolas and native greens The setting was further enhanced by the view of Lake Tahoe through the wide windows which permitted a wide sweep of the Sierra backdrop.

The bride wore a Kelly green wool suit with matching hat, with an engraved Florentine silver bracelet, a gift of the groom, and pale green orchid corsage.

Best man was Airman 1st Class Abbott Hays.

Mrs. Bette Lou Sharp of Reno, twin sister of the bride, was matron of honor. A gold suit with a golden orchid corsage was chosen for her costume.

The mother of the bride, Mrs. Steve Svenson of Carson City wore a beige crepe dress with brown accessories and a brown orchid corsage.

The groom's mother, Mrs. Robert Kellog, chose an ivory brocade sheath with pink accessories and a pink rose corsage.

The bride attended schools at Carson City and has been employed in Reno. The groom is a graduate of schools at Tracy and attended San Jose City College and is stationed at Stead Air Force Base.

Out of town guests were the groom's grandparents, Mr. and Mrs. Erwin Kellog, aunts, Mr. and Mrs. William Peach, Mrs. Ray Swanigan, Mrs. Franklin Nisson, and brother Craig Kellog all of Tracy, the bride's grandparents, Mr. and Mrs. Roy Bowers, Sr., aunt and uncle, Mr. and Mrs. Roy Bowers, Reno, sister, Karen and brother, Bruce of Carson City.

A reception was held at the home following the ceremony with a buffet supper and cutting of a two-tier wedding cake.

Following an undisclosed honeymoon, the young couple will make their home in Reno.

Friday, September 25th is the starting date for the big book drive being sponsored by the Tahoe Lake PTA for the benefit of the Tahoe Lake School library. In charge of the arrangements for the month long book drive is Mazie Carnell and she is being assisted by Mildred Jones, Irene Sivertsen, Beverly Brown and Lee Burmer.

School children will collect books of all kinds in a contest to see which class can bring in the greatest number. Tentative plans call for the winning class to be awarded a field trip to Pyramid Lake in Nevada.

Books on the elementary school level will be donated to the school library while other books will be given to the high school library. Adult books will be sold at a nominal price and the benefits going to the elementary school library.

Scene at Truckee Tahoe Airport

This picture was taken from under the wing of a 1964 Cessna Sky Knight owned by Mr. and Mrs. Dwight Rounds of Witchita, Kansas, who has a home near Tahoe City and a resort in Breckenridge, Colorado, among other interests. He is a frequent visitor to Truckee-Tahoe airport. The Sky Knight is valued in excess of $100,000 with all the latest radio equipment. The Rounds are typical of the fliers using their planes for both business and pleasure and find the local airport a very important facility in the High Sierra.

CEDRIC FOSTER WILL ADDRESS EXECUTIVES

Cedric Foster, a veteran of the air waves and a fellow who has been talking almost daily to millions of people for twenty-three years about national and international developments, will be the guest speaker of the Reno Executives Club when members assemble Tuesday evening, October 6th, at the Elks Club.

A journalist by profession until drafted by the Mutual Broadcasting Company to become its daytime news commentator in 1940, Foster has been doing his stint for the same network. There are somewhere between 450 and 500 stations scattered throughout the nation which now carry the Foster broadcasts.

Cedric Foster comes from a Mayflower background. He is a tenth generation New Englander, went to Dartmouth University and holds two honorary degrees. He is said to be the most widely traveled news commentator in America, having flown the Atlantic at least forty times to various hot spots of the world to bring back current reports on "what's going on".

While he still calls New England his home, his present headquarters are Washington, D. C. Even then he is just as likely to be in Cairo or Calcutta or Colorado Springs. Wherever news is being made, one most likely will find commentator Foster at the scene.

ALPINE MAY HAVE 4TH RUM LICENSE

SACRAMENTO — (CNS) — The alcoholic beverage control appeals board has ruled, in effect, that you can't stop growth and progress and tiny Alpine County ought to have its fourth liquor license.

Of course, under the state's quota system of one on-sale general liquor license for each 2,000 persons in a county, Alpine would be entitled to only one-fourth of one liquor license as its population is about 500. However, because this is a recreational area, there is a separate type of seasonal licenses under which the population quota does not apply.

The green and yellow-green region is the brightest part of the spectrum for color-blind persons.

POWER COMPANY TO SPONSOR SCIENTISTS

Two outstanding high school science students and a teacher from the Northern Nevada-California area served by Sierra Pacific Power Company will attend the National Youth Conference on the Atom November 5-7 in Chicago as guests of Sierra Pacific Power.

This is the third year that a delegation from this area has been sponsored by the power company.

Selection of the students and teacher is again this year being made by the Nevada State Department of Education from nominations received from each high school in the power company's service area.

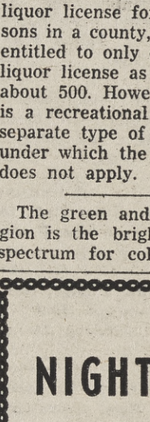

In Chicago, students will attend lecture and seminar sessions led by some of America's foremost scientists. Noble Prize winning scientists Dr. Glenn T. Seaborg, chairman of the U. S. Atomic Energy Commission, and Dr. George Wells Beadle, president of the University of Chicago will address the 1964 conference.

The conference is sponsored by the nation's investor-owned electric utility industry and is designed to present to a group of the nation's most able high school science students and teachers an authoritative picture of the peaceful promise of the atom.

Mrs. Steve Cozzi was feted by her family last week, the occasion being her birthday anniversary.

State Officers Are Sought By Patrol

Sergeant D. W. Wallis, acting officer in charge of the California Highway Patrol's Truckee substation, has issued a call to all local young men who are interested in a career in traffic law enforcement to file an application to take the civil service examination for state traffic officer.

The examination will be held on November 7, and applications to participate must be filed with the State Personnel Board by October 9.

"The Patrol is looking for serious-minded young men with an aptitude for law enforcement work," Sergeant Wallis said. "They must be able to pass a written examination that tests, among other things, their ability to learn rules and regulations, to follow directors, and to think clearly and logically. Then they must pass physical and medical tests and a personal interview before they are placed on the eligible list."

Interested men are welcome to discuss the Patrol and the benefits it offers as a career with any California Highway Patrolman. Full information and application forms are also available at the Patrol office at Truckee Substation.

DEANE SEEGER QUITS AS HEAD OF COUNCIL

AL TAHOE—The resignation of Deane Seeger as executive director of the Lake Tahoe Area Council was announced by Council President Harry Marks. Seeger, who has held the Council post since 1960 has accepted appointment as the first city manager of Lake Oswega, Ore., and will assume his new duties in late October.

In a letter of resignation submitted to Marks and members of the Board of Directors, Seeger expressed his appreciation for the support and cooperation extended to him by LTAC's officers, directors and sponsors.

During his tenure as administrative head of the organization, the council has enjoyed an almost 300 per cent increase in membership, has established a permanent operations office at the lake and has completed two major program objectives, a comprehensive sewage engineering study of the Tahoe Basin and creation of a bi-state Lake Tahoe Regional Planning Commission.

LICENSE ISSUED

SACRAMENTO — (CNS) — The state department of alcoholic beverage control announced today it has issued an on-sale general liquor license to Gardner and Elaine Mein, the River Ranch, on Highway 89 3½ miles north of Tahoe City.

License Issued—
A Reno marriage license was issued this week to Timothy Charles Vieu, 18, Truckee and Linda Darlene Harris, 16, of Kings Beach.

Play Golf—
Clarence Bowers of Sacramento and Mr. and Mrs. Robert Bowers of Reno were visitors here during the weekend when they played at the Ponderosa Golf course.

Issue License—
A marriage license was issued in Nevada to Claude Winsby, 38 and Lari Baber, 23 both of Crystal Bay, Nevada.

Ghirard Guests—
Mrs. George Merritt, Mrs. Lawrence Patten from Oakland, Miss Patricia and Donald Patten from San Francisco, Miss Evelyn Zinn from Berkeley, Mr. and Mrs. Edwin Smith of Placerville and Mr. and Mrs. Eugene Ilardi and son, Ronald of Sacramento have beeen recent guests of Mr. and Mrs. Tony Ghirard.

Mrs. Carrau Here—
Mr. and Mrs. Tony Pace had as their guest, Mrs. Charles Carrau of San Francisco, a former local resident.

Mother Dies—
Friends here of Mrs. William Stevenson of Stockton learned of the recent death of her mother at Sacramento.

Jacobsons Here—
Mr. and Mrs. Philip Jacobson of Concord were visitors here during the weekend, their former home, commenting that the weather was beautiful but the wind made them think that winter may be just around the corner.

Back From Oregon—
The Cecil Holley family of Kings Beach returned from a weekend spent at Oregon.

CARD OF THANKS

To the many friends who sent lovely cards, thoughtful gifts and encouraging messages following my recent accident and hospitalization, I take this means of expressing sincere appreciation for all of your acts of kindness.

MARY ZUNINO

SON IS BORN

Mr. and Mrs. Merrill Englehart became the parents of a son who arrived September 17 at Utah where the father is based with the U. S. Air Force. Mrs. William Englehart, Sr., of Truckee, the infant's great grandmother said the names of William Mark were selected for the newcomer who weighed in at 7 pounds, 4 ounces.

Note Sign Progress

Rr. and Mrs. Earl Rhoads of San Jose stopped to note the progress of the new Donner Trail signs placed in the vicinity, a hobby of Dr. Rhoades for a number of years. The couple is taking a leisurely trip to Utah as Mrs. Rhoades is continuing to recuperate from a broken hip.
